

JOB TITLE: Lead Warehouseman

DEPARTMENT: Shop/Production

FLSA STATUS: Non- Exempt

REPORTS TO: Director of Production

SUMMARY: The Lead Warehouseman assists the Shop/Production area with any and all set ups, communication and coordination between the warehouse and shop areas. This could include communication between warehouses, leading communication with inbound shipments and delivery of products, as well as staging deliveries and shipments. This position will be responsible for knowing where materials are, unloading and placing materials in appropriate places for locating later, and tracking movement of all materials and crates in and out of the Smith Street facility.

Essential Functions

Receiving/Inbound (35%)

- For all inbound trucks coming from the Webster warehouse facility, managing what is coming in on the truck, staging the product and knowing it's location while in the Smith Street facility.
- Placing materials received into the proper areas for access and managing the location of those items for future use. (ie: plywood, lumber)
- Unload materials from trucks and place in appropriate location.
- Ensuring nothing moves from Smith Street facility to another warehouse without knowledge and documentation.
- Coordinate what is going to other facilities and tracking movement of properties from Smith Street.
- Access Shipping List weekly, and follow up on any potential inbound needs from other facilities.
- Raise any concerns to Director of Production before an issue creates a timeline going off target.
- Other duties as may be assigned from time to time.

Communication (35%)

- Communicate with driver bringing load over from Webster facility to coordinate delivery, unloading and staging area.
- Coordinate and communicate with Graphic Production on any shop logistics for graphic materials.
- Assist the Director of Production on communication between departments.
- Coordinate and Communicate with Shop/Production on where materials and crates are located in the Smith Street facility.
- Post time Daily for all project work for Director of Production to approve.
- Raise any concerns to Director of Production before an issue creates a timeline going off target.
- Other duties as may be assigned from time to time.

Setup (30%)

- Lead the new build set ups in the Smith Street Warehouse.
- Set up smaller exhibits individually.
- Load trucks when required.
- Maintain clean and organized set up areas.
- Utilizing the project list, ensure the set up and subsequently the pack of items is completed based on requirements.
- Take pictures of all set ups for review as per current policy.
- Oversee all set ups being conducted by others in the Smith Street facility to ensure efficiency and productivity.
- Have complete control of the warehouse side of the Shop/Production area at Smith Street.
